Conference chair

Yuliya Lavrikova (Russia)

Yuliya Lavrikova is the Director of the Institute of Economics of the Ural Branch of RAS, a well-known Russian scientist in the field of regional and territorial and sectoral economy, head of the leading scientific school «Restructuring of territorial industrial complexes». She personally contributed to the elaboration of: proposals for the development of territorial industrial complexes considering the market nature of modern cluster associations, which formed the basis of the Concept of Cluster Policy of Sverdlovsk Oblast

until 2020; documents for the creation of a high-tech cluster «Titanium Valley», Ural Construction Cluster, Ural Transport and Logistics Cluster, etc.; a set of measures for socio-economic development of the largest municipalities, combining the forecast of structural changes in the economy, the coupling of spatial (including agglomeration) and sectoral aspects of forecasting, achieving a balance of labor, production and financial resources in the largest city. Yuliya Lavrikova is a permanent expert in the Department of Organizational Support for Interaction with the Corps of Experts of the Directorate for Scientific and Methodological Guidance and Expert Activities of RAS, a member of the expert group on strategic planning and regional development at the Economic Policy Council under the Plenipotentiary Representative of the President of the Russian Federation in the Ural Federal District. The research results are reflected in 175 scientific publications, including 38 individual and collective monographs. She is the recipient of the Tatishchev and de Gennin Award (2008), twice a laureate of the RAS competition “Best Economist of the Year”.

Honorary speaker

James K. Galbraith (USA)

<https://mse.msu.ru/teachers/dzhejms-k-gjelbrejt/>
James K. Galbraith holds the Lloyd M. Bentsen Jr. Chair in Government/Business Relations and a professorship in Government at The University of Texas at Austin (USA). He held various positions in the United States Congress, including the Executive Director of the Joint Economic Committee. In 1995–1997, he directed the PhD Program in Public Policy at the Lyndon B. Johnson School of Public Affairs. J. K. Galbraith heads up the University of Texas Inequality Project. In

1994–1997, he served as Chief Technical Adviser for Macroeconomic Reform to the State Planning Commission of the People’s Republic of China. From 1996 to 2016,

he was the Chairman of the International Movement “Economists for Peace and Security”. On January 4, 2020, James K. Galbraith received the Veblen-Commons Award of the Association for Evolutionary Economics (AFEE). He studies global economic inequality and various macroeconomic issues. Galbraith has authored a number of monographs and numerous publications in periodicals in the USA and other countries.

Key speaker
